METLEN ENERGY & METALS once again Gold Sponsor of BEYOND!

METLEN ENERGY & METALS once again supports **BEYOND**, the most important international digital technology and innovation exhibition in Southeastern Europe, and becomes **Gold Sponsor of BEYOND 2025**.

Q&A

METLEN ENERGY & METALS

In this context, we asked some questions to **METLEN ENERGY & METALS** executives, who stated the following:

We support BEYOND as sponsors because...

The future of energy is not written with old recipes and at **BEYOND** we feel that we are co-shaping the new, smart energy world we want to live in.

BEYOND offered us the opportunity to...

Connect with initiatives that share our philosophy and show that artificial intelligence and energy are the ultimate power couple of the present for the future.

As sponsors, we believe that BEYOND contributes...

Bridging the gap between innovative vision and its implementation in practice. In other words, it helps turn big ideas into action.

BEYOND stands out from other technology and innovation events because...

It is not just a technology exhibition but a live **innovation lab**, where bold ideas for the future are today.
