Leading Exhibitors Take the Stage at BEYOND!

The leading companies in the technology sector are once again making a strong presence this year by participating as exhibitors in the premier international exhibition and conference on digital technology and innovation in Southeastern Europe, BEYOND. Under the theme "AI Reality Bites", the event will take place from **April 4 to 6, 2025**, at the **Metropolitan Expo Center in Athens**.

Why are they participating in BEYOND? What will they showcase? What do they expect from their participation? And what makes BEYOND stand out from other technology and innovation events?

The BEYOND exhibitors share their insights.

AETHON

- We have renewed our participation in BEYOND because it is a key meeting point for technology and innovation, allowing us to reaffirm our commitment to AI-driven engineering and technological advancement.
- BEYOND has enabled us to connect with industry leaders, showcase our technological solutions, and enhance AETHON's visibility as a pioneer in smart engineering and sustainable innovation.
- Through BEYOND, we have secured strategic partnerships, attracted international interest in our projects, and strengthened our presence in both the Greek and European technology landscapes.
- BEYOND stands out from other technology and innovation events because it combines networking with high-quality content, bringing together businesses, research centers, and startups that shape the future of technology.

- At BEYOND 2025, we will unveil our new AI-powered chatbot service, designed to enhance customer and business experiences with advanced automated communication and data analysis capabilities.
