Countdown to the Start Up Village Beyond Tomorrow Competition!

To **Beyond Tomorrow Competition** is coming to **Metropolitan Expo Center** on **April 4-6** as part of **BEYOND 2025**, showcasing the most innovative startup ideas. Finalists will compete for a total **15.000** in prizes, while also gaining the opportunity to attract investors and partners.

Beyond Tomorrow Competition is more than just a contest—it's a unique platform that empowers startups and helps them take the next step. **Participation requires having a booth at the Startup Village Beyond Tomorrow**. BEYOND 2025, the premier tech conference in Southeastern Europe, is making a powerful comeback, offering startups an exceptional opportunity to advance in the world of innovation.

This year, the **Beyond Tomorrow Startup Village** is the ultimate gathering point for startups, investors, and decision-makers—creating a space for networking, inspiration, and growth.

Participating startups gain **global exposure** as the expo and conference attract thousands of visitors, investors, entrepreneurs, and media representatives from around the world. The **Pitching Stage** provides startups with the chance to present their companies directly to investors and business leaders. Additionally, the **Investors Lounge** within the Beyond Tomorrow area offers the opportunity for direct meetings with potential investors. Participation includes an exhibition space within the Startup Village and access to exclusive networking opportunities.

Limited space available - Secure your spot today!

COSMOS Business Systems

COSMOS Business Systems is once again participating as an exhibitor at BEYOND, the most significant international exhibition for digital technology and innovation in Southeast Europe. As one of the largest IT and telecommunications companies in Greece and Cyprus, COSMOS Business Systems primarily serves medium and large enterprises in both the private and public sectors.

COSMOS Business Systems executives said about BEYOND:

We renewed our participation in BEYOND because...

BEYOND is a leading international exhibition for technology and innovation, allowing us to showcase our comprehensive IT and telecommunications solutions, strengthen our market presence, and develop new partnerships with industry leaders. The continuous evolution of digital transformation makes our participation in exhibitions like BEYOND essential, enabling us to exchange ideas with experts, highlight our latest innovations, and closely follow the technological trends shaping the future.

BEYOND gave us the opportunity to...

present our innovative services, such as infrastructure management and cloud computing solutions, to a broad audience of professionals and businesses. Through this exhibition, we managed to increase our brand awareness, attract new clients, and establish collaborations with key organizations and institutions from both the private and public sectors.

At BEYOND, we achieved...

significant partnerships with leading technology companies and enhanced our international exposure, contributing to the expansion of our network and the delivery of advanced solutions to our clients. Moreover, our participation allowed us to showcase innovative products and services, including smart city solutions and advanced data analytics applications.

BEYOND stands out from other technology and innovation events because...

it is distinguished by its international reach and focus on presenting the latest technological advancements, offering a unique platform for networking and knowledge exchange among professionals and businesses worldwide. Furthermore, it brings together companies, startups, academic institutions, and research centers, creating a dynamic innovation ecosystem. Additionally, BEYOND highlights the potential of artificial intelligence, digital transformation, and advanced technologies in businesses and public services, contributing to the evolution of the digital world.

At BEYOND 2025, we will present...

our new investments in artificial intelligence, as well as cybersecurity solutions we are developing to enhance our clients' competitiveness. At the same time, we will focus on solutions related to business process automation, green technologies, and the development of "smart" solutions for enterprises and organizations, leveraging technologies such as the Internet of Things (IoT), 5G, and Big Data analytics. Our presence at BEYOND 2025 will reaffirm our commitment to continuous innovation and supporting the digital transformation of our clients.

When & Where

 April 04-06, 2025

BEYOND is more than just an exhibition or conference—it is a platform for connection, innovation, and shaping the future of technology.

 Metropolitan Expo, Athens, Greece

BEYOND 2025 Digital Technology & Innovation International Exhibition | Conference

 <https://www.beyond-expo.gr/>
